General Summary:

UCPW is seeking candidates for a Ukraine Project Manager for a new five-year USAID-funded project, Learning, Acting and Building for Rehabilitation in Healthy Systems (ReLAB-HS). The ReLAB-HS Ukraine Project Manager will oversee ReLAB-HS operations and programmatic implementation in Ukraine. Only candidates with work authorization in Ukraine will be considered; relocation benefits will not be provided.

ReLAB-HS aims to support development of health systems that are responsive to the escalating challenge of addressing the growing needs for rehabilitation within populations. It seeks to co-design and implement innovative, comprehensive, cost-effective interventions that strengthen health systems for provision of rehabilitation including assistive technology. ReLAB-HS will focus on integrating rehabilitation and assistive technology services across all levels of care within health systems. The ReLAB-HS consortium comprises of six international partners with expertise in health systems, implementation science, and delivery innovations.

About UCP Wheels for Humanity:

Founded in 1996, UCP Wheels for Humanity (UCPW) increases access to mobility and improves quality of life for children and adults with physical disabilities in less-resourced countries. UCP Wheels makes strategic investments in communities by leveraging existing capacities and empowering local stakeholders. Based on the needs of each region in which we work, we offer one or more of our direct-service or capacity-building programs. For more information, visit ucpwheels.org
