## Опис вакансії

SMTP.com Integrated Operations Centre is looking for an ambitious System Administrator to join our growing team in Kyiv. The successful candidate will play important role in maintaining a modern Email Delivery Platform serving to thousands of customers worldwide.

You will be responsible for supporting a complex platform of email delivery technology stack, ensuring its stability, availability and security.

Working as a part of Integrated Operations, you will be closely working with DevOps, Development and Customer Success departments performing a critical role of connecting the dots between the early stages of new products creation to its live delivery and continuous support and improvements.

## Job Duties:

- Responsible for the maintenance, configuration, and reliable operation of computer systems, network servers, and virtualization
- Providing in-house help desk assistance to other Company departments
- Handling and escalation of incidents, participation in on-call 24/7 rotation (8-hour shifts)
- Participation in software release management cycle
- Maintenance and support of infrastructure SLA and uptime commitments
- Support the documentation for the systems and network layers
- Intermediate level of English

## Job Requirements and Experience:

- Hands-on experience with System Administration (Server side Linux) at least 1 year
- Good understanding networking principles and protocols
- Experience with different monitoring tools and services
- Understanding of incident response and management processes

## Would be a plus:

- Experience with bare metal servers installation from scratch
- Experience in SQL-based database management and administration
- Understanding of mail protocols (SMTP, POP3, IMAP)
- Experience with DNS server management or installation
- Scripting experience (bash, python, etc)

**We offer:**

- Ongoing professional development
- Flexible work & vacation schedule, including working remotely if needed
- Free English lessons
- Free office parking
- Free opening and dedicated accountant for your PE (FOP) with full tax coverage
- Company laptop
- Cozy and spacious office with a kitchen and free coffee and snacks
- A transparent assessment and reward policy with a yearly review
- A flat company hierarchy and employee empowerment
- Team building events
