Опис вакансії

Are you on the hunt for exciting new challenges that boost your professional growth? If you're an innovator by nature and a **Remote C++/3D Developer** by trade, we'd love to hear from you! Read on to see if you'd be a good fit for the Scopic team of 250+ professionals from over 40 countries.

At Scopic, the virtual world is our home so this is a **full-time** remote position. Only apply if you're prepared for the zero-hour commute and the thought of collaborating with colleagues from around the globe excites you!

What your day-to-day will look like:

- Work with a team of talented developers, designers, and project managers to develop industry-leading applications with the latest technologies

The skills and traits we're looking for:

- 3+ years of experience in commercial software development
- Strong C++ programming skills
- Proficiency using Qt and VTK
- Experience with network programming (e.g. sockets, TCP connection)
- Experience with 2D/3D graphics programming
- Experience with 3D engines, e.g. Unreal, AWS Lumberyard
- Good algorithm and mathematics skills
- Architecture skills, commitment to code design best practices
- Good English reading and writing skills
- Bachelor's degree or higher
- Stable internet connection and home computer

The secret ingredients that make us special:

- Your growth is our growth. We invest in your future with paid training and other professional opportunities.
- We're industry innovators at the forefront of change. Equipped with the latest technologies and a team of knowledgeable colleagues by your side, you'll embrace new and interesting challenges.
- Your location. Your schedule — Pick your time-zone, choose your preferred hours, and work from the place where you feel most at home.
- Flexibility and freedom are in our DNA! As long as you have a stable internet connection and the drive to thrive, you can travel and work from anywhere you like.
- A workload you can rely on. We'll set you enough tasks to keep that mind busy! At Scopic, we'll ensure you always have a consistent flow of engaging, challenging work to do.
- Recognition and reward. We acknowledge diligence and hard work through annual pay increases for good performance.

Down to business!

- **Salary Range: \$ 15 - \$ 25/hour**
- Your starting salary is negotiable depending on your skills and experience.
- Both hourly and salary positions are available.
- Employees are paid monthly via wire transfer.

Our values:

Scopic is an equal opportunity employer. We value diversity and do not discriminate on the basis of race, religion, color, marital status, national origin, gender, veteran status, sexual orientation, age, or disability status.

Have the skills, the drive, and the passion to join the Scopic family?

Apply today to join our growing team of remote professionals from around the world.
