## Опис вакансії

### Hi there ?

We're looking for a Middle UI/UX Designer who will be responsible for delivering high-quality UI/UX design services to support our clients. Someone with digital and multi-media design experience and knowledge of creative design applications. Who is honest, hard-working, responsible, committed to detail, and clear communications to become part of the Greensighter UI/UX Agency team. If you are looking to broaden your skills as a UI/UX Designer, work with a dynamic team, and gain experience in the world of UI/UX design, this is the role for you!

**Specialization:** UI/UX Designer

**Location:** Remote

**Engagement:** Full-time role

**Level:** Middle-Senior (3+ year of experience)

**Salary range:** 20,000 - 40,000 UAH

### What you'll do

- Design projects end to end, from research and discovery to conceptualization and visual design
- Create simple, innovative, stylish, and user-friendly designs for web and mobile user interfaces.
- Create wireframes, user flows, process flows, and sitemaps that effectively communicate interaction and design ideas.
- Lead the identification and understanding of user requirements, business goals, and technical capabilities from a UI/UX perspective.
- Stay updated on competitor products and industry trends.

### Required qualifications

- 3+ years of work experience as a UI/UX Designer.
- Strong portfolio showing a range of work across UI/UX
- High level of visual design skills and execution of design principles
- Competent in designing for multiple platforms (web, mobile)
- Expert level in Figma.
- Knowledge of Graphic Design basis (Photoshop & Illustrator is a must).
- Previous experience with design systems.

- Highly motivated self-starter with a strong eye for detail.
- Excited and energized to build from scratch
- Team spirit; strong communication skills to collaborate with various stakeholders
- Good time-management skill
- English knowledge, to read and understand the project briefs

#### **Why work with us**

- 100% remote work (no office)
- Opportunity to work with international clients and different interesting projects
- Fast way to improve your hard and soft skills
- Become part of the team that want to shape the future

**\* Please include your portfolio in the application**
