We are looking for a talented and experienced **Full Stack Developer** to join our creative team and contribute to the development of cutting-edge solutions that align with our commitment to excellence.

Requirements:

- 3+ years of experience as a Full Stack Developer with a focus on **React**, Redux, **Node.js**, and Nest.js.
- Strong proficiency in JavaScript/TypeScript.
- Experience with RESTful API design and implementation.
- Familiarity with database systems (e.g., MongoDB, MySQL).
- Solid understanding of front-end technologies, including HTML5, CSS3, and responsive design.
- Knowledge of version control systems (e.g., Git).
- Experience with code bundlers (e.g., Webpack) and package managers (e.g., npm, yarn).
- Advanced English level
- Excellent problem-solving and communication skills.
- Ability to work both independently and collaboratively in a team environment.

What we offer:

- Remote job with the freedom to work from anywhere in the world.
- Flexible work schedule tailored to your life and work needs.
- Competitive and timely salary.
- Opportunities for professional growth and development.
- The chance to gain experience in various fields and participate in exciting projects.
- Your ideas and initiatives are always welcome and valued
