Опис вакансії

We are Ai-tribe - an international community of AI creators with our own blog on social media and an agency for brands. We are looking for talented video creators eager to work with cutting-edge AI technologies, produce vibrant short videos, and develop their skills in the world of generative content.

Desired Skills

- Skills in video editing and familiarity with relevant software
- Experience with AI generative models is an advantage
- Knowledge of scriptwriting and viral mechanics is a plus
- Conversational English is a must
- Good communication skills and the ability to work effectively in a team
- Willingness to learn new technologies and quickly put them into practice

What You'll Get

- **Join a Global Community** : Be part of an international group of creators working at the intersection of creativity and technology.
- **Ongoing Education** : We provide continuous training in both technical skills and scriptwriting, dramaturgy, and viral mechanics.
- **Exciting Projects** : Work on engaging content for our media platforms (Instagram Reels, TikTok videos) and create content for various clients.
- **Grow with Us** : Secure a permanent spot in our team, participate in high-profile projects, and achieve a stable income.

Stages of Joining

1. **Apply** : Submit your application, including a portfolio of your work and a cover letter about your motivation, previous experience, and AI skills.
2. **Complete a Test Assignment** : Be ready to complete tasks where you'll explore top generative video models.
3. **Welcome to the Club** : After passing, start earning with us and building your career as an international creator.

Who We're Looking For

We're seeking motivated individuals to create content that leaves no one indifferent. We welcome students and graduates of creative fields such as filmmaking, video production, digital media design, and advertising.

We'll help you upskill your skills — be ready to learn and grow with us. **Let's create something extraordinary together!**
