Опис вакансії

About Us: RemotEmployees connects global businesses with digital marketing and IT talent through flexible, on-demand outstaffing.

Content Video Maker Needed: Create engaging videos for social media platforms. Seeking someone skilled in mobile video editing who can craft visually compelling content that enhances our brand's digital presence. If you combine technical proficiency with social media savvy, let's connect.

Additional Information:

Languages: English level B1+ is essential.

What You're Going to Work With: transitions, backgrounds, subtitles, keyframes, visuals.

Key Responsibilities:

- **Apply Transitions:** Seamlessly incorporate visual effects to ensure a smooth flow between video segments.
- **Adjust Backgrounds:** Enhance and modify visual backdrops to align with content themes.
- **Add Subtitles:** Incorporate accurate and synchronized captions to improve accessibility.
- **Sync Keyframes:** Coordinate animation markers to achieve precise timing and fluid motion.
- **Edit Tracks:** Refine audio and video layers for optimal quality and coherence.

Toolset You'll Use: CapCut, InShot, Instagram, TikTok, Facebook, YouTube, AI tools, Google Docs, CRM

What We Offer:

- **Remote job:** Enjoy the flexibility of working from anywhere.
- **Full-time position:** 9:00 to 18:00 (with a 1-hour lunch break).
- **Salary:** Paid bi-monthly with performance-based bonuses.
- **Global Exposure:** Gain experience working on international projects across various industries.
- **Friendly Team:** Be part of a supportive and collaborative team that encourages growth and creativity.
