Опис вакансії

SnoopGame QA is in search of a Trainee QA. We specialize in manual game testing services, catering to publishers and developers worldwide.

Over the past decade, we've meticulously tested more than 1500 games spanning various genres, from Hyper Casual to AAA. Presently, we proudly stand as Ukraine's foremost company, equipped with remarkable achievements and the proficiency to conduct diverse manual testing across multiple platforms.

Our core mission is to deliver game QA precisely tailored to meet the standards necessary to ensure the quality of games that are accessible to all.

Our objective is to contribute to a gaming world that is more enjoyable and accessible for everyone.

Responsibilities:

- Plan testing and compile test documentation.
- Participate in the testing process at all stages of development.
- Communicate with individuals involved in the development process.
- Verify corrected defects.
- Prepare error reports and more.

Required Skills:

- **Level of English at least B2.**
- Understanding of modern gaming applications.
- Knowledge of testing theory.
- Ability to write test documentation.
- **A rich gaming experience in various genres.**
- Desire to develop in game development testing with the best experts in this field.

We offer:

- Salary range is **\$200-400** per month.

— Remote work.

- Opening hours are from 10:00 to 19:00 (including a 1-hour lunch break).
- Paid vacation of 20 workdays per year; 10 workdays of sick leave per year.
- Gradual salary growth up to \$800 within a year with further reviews every 6 months.
- Structured processes and tools corporate Confluence, Slack, Trello to ensure effective communication and collaboration within the company.
- English lessons with a native speaker and interactive sessions with another teacher (exercises, quizzes, and other games in English).
- Performance-based reviews that recognize and reward the contributions of our team members.
- Corporate sessions with a psychologist, including 1–1 meetings, transparent communication, and feedback culture.
- Provision of necessary equipment.
- Public holidays are also paid days off.
- Corporate team-building events, team-building events, etc.
- A friendly team and a warm atmosphere filled with enthusiasts of the gaming world and cutting-edge technologies.
