Опис вакансії

Mission

To reinvent how people watch series, creating a "Netflix meets TikTok" experience
We use AI to turn existing shows into short, addictive, mobile-first micro-episodes
Now, we're looking for a video editor with a sharp eye for storytelling, a deep understanding of pacing and structure,

The Role

We're on the hunt for a creative, fast-moving video editor who can turn long-form shows into scroll-stopping short-for You'll work closely with our scripting, product, and AI teams to shape micro-episodes that feel native to platforms like

You know how to build a rhythm, emphasize a moment, and make every second count
You've got great instincts for editing, a killer portfolio of work, and the ability to work independently on tight timelines

What You'll Be Doing

- Transforming long-form content into short-form, addictive episodes (30s2 mins)
- Working with scripts and storyboards to pace and structure episodes for mobile-first viewing - Collaborating with our AI team to refine automated cuts into polished sequences
- Enhancing edits with motion graphics, transitions, and audio work as needed
- Ensuring all output meets quality, platform, and creative standards
- Helping define the visual language of a new generation of storytelling

What You'll Need

- 3+ years experience in video editing, ideally with digital or entertainment platforms - Proficiency in Adobe Premiere Pro and/or Final Cut Pro X
- Deep understanding of pacing, narrative arcs, and rhythm in short-form editing
- Strong ability to interpret scripts and storylines visually

- A standout portfolio or reel that showcases mobile-first, narrative editing
- Bonus: motion graphics or audio editing skills, TikTok/Reels native experience - Self-starter attitude with excellent time management skills

Why Hiresix?

We're building the next wave of storytelling-mobile, fast, personal
Our founders are seasoned entrepreneurs backed by leading investors and global media partners We move fast, work hard, and keep things fun.

If you're passionate about film, editing, and shaping the future of entertainment, this is your chance to get in early an
