Опис вакансії

Hiring Native Ukrainian Reviewers – Easy quality check task to earn some extra cash

We’re looking for native Ukrainian speakers (Ukraine) to join a short but important quality-review project. If you want to earn some extra cash, this is a light, quick Quality Assurance (QA) gig.

? What You’ll Do

You will review the quality of short text strings and verify the spelling is correct

You only need to correct spelling related concerns (Not needed to fix grammar, style, word order, or meaning)

These texts have already been checked by an automated machine translation engine and a human reviewer. Your job is simply to verify that the spelling corrections they made are correct.

? Main Requirements

You are a native Ukrainian (Ukraine) speaker

You have a good English knowledge to ensure understanding of the instructions

You will need to pass a quick 20min Ukrainian language certification

You have good attention to detail

You can follow guidelines and instructions consistently

You are comfortable with linguistic or annotation tasks

You have experience in writing, editing, translation, or content review (nice to have, not required)

? Who This Role Suits

Perfect for linguists, language students, annotators, editors, translators, or anyone who enjoys working with language and an easy way to earn some extra cash.

?Compensation

We will pay per hour of work, at $ 10 USD/hour

TO APPLY

Login to a OneForma account you already have or create a new one www.oneforma.com/

Once you have an account you can access the project and apply
