Опис вакансії

About the Role:

We're looking for someone passionate about **UI/UX design** — someone ready to learn, grow, and help shape intuitive desktop applications for the **Microsoft Store**. This internship offers a valuable opportunity to gain hands-on experience, contribute to real projects, and develop your skills with support from experienced designers.

Responsibilities

- Design engaging, user-friendly UI for Microsoft Store desktop apps.
- Create visual assets and promotional graphics.
- Suggest design improvements and contribute fresh ideas.

Required Skills

- Solid experience with **Figma** and interface design.
- Portfolio with relevant UI/UX work.
- Eagerness to learn and attention to detail.

Nice to Have

- Experience with **Auto Layout**, **components**, and **variants** in Figma.
- Basic knowledge of **Photoshop** and **Illustrator**.

We Offer

- A flexible **remote internship** (2–3 months).
- **Unpaid**, but with mentorship, learning, and real projects.
- Personalized feedback and guidance from senior designers.
- Successful interns offered a **junior full-time role** in our company after the internship.

? Want to gain real-world design experience?

? **Apply now** by sending your **resume** and **portfolio** showcasing your best work.
Let's design something great together.
