Опис вакансії

We are looking for a strategic and proven **Head of Risk & Anti-Fraud** to own and lead our overall risk management strategy. In this high-impact executive role reporting directly to C-level, you will safeguard our proprietary iGaming platform and optimize business growth across high-velocity Tier-1 markets.

? **What You Will Do**

- Architect and execute the company-wide Anti-Fraud, Risk, and KYC/AML strategy from scratch.
- Build, scale, and mentor a high-performing Risk & Anti-Fraud team.
- Protect marketing and promotional budgets by designing proactive mechanisms to prevent bonus abuse and affiliate exploitation.
- Lead vendor evaluation, contract negotiations, and integration of cutting-edge anti-fraud technologies, ML tools, and automated detection systems.
- Define risk appetite, budget allocation, and mathematical risk monitoring models for C-level executives.
- Collaborate with Product, Legal, Finance, and Marketing to balance strict risk controls with conversion rates and player LTV.

? **What We Expect From You**

- **5+ years** of total experience in iGaming Risk Management & Anti-Fraud (Tier-1 market focus).
- **3+ years** in a managerial role (Head / Lead / Manager) building teams and operational workflows from scratch.
- Proven track record in selecting and integrating enterprise risk & KYC ecosystems (Sumsub, SEON, Accertify, etc.) and BI platforms.
- Strategic understanding of international iGaming licensing frameworks, regulatory compliance, and AML/CFT laws.
- Strong leadership, executive communication, and analytical mindset.
- Fluent English (B1+ level).

? **What We Offer**

- Executive autonomy to shape safety strategy and directly influence unit economics in Tier-1 GEOs.
- Direct hiring and software budget responsibility.
- Highly competitive salary package + performance/bonus alignment.
- 100% remote flexibility with zero corporate red tape.
